Dr. Suvendu Mondal

SACT in Sanskrit

I am Dr. Suvendu Mondal, M.A., Ph.D in Sanskrit from Visva Bharati.

I am looking forward to find new ways of teaching that can help students attaining knowledge beyond the limits, even outside the boundary wall of their classroom. Learning should not remain only a work but passion for them. Moreover we should keep a healthy and friendly relationship with our students so that they can address their academic requirements freely, which is Tagore's vision also.
