BRIEF ABOUT THE EVENT:

The department of Mathematics organized a one day college seminar on the topic "Math Phobia: Steps to Overcome" on 5th December, 2018 in Room No 23 at Hiralal Bhakat College, Nalhati, Birbhum, WB. More than 100 UG students of all departments of the college attended the seminar. Our Honorable Teacher-in-Charge and Coordinator of IQAC at this college gave the introductory speech to kick off the seminar.

The speaker of this seminar was Dr. Banshidhar Sahoo, Assistant Professor in Mathematics, who has experiences of 10 years in teaching as he had worked in various schools and colleges as a teacher. Dr. Sahoo covered all the main causes of math phobia in students' minds. He provided some crucial and excellent advice on how to get over

math fear. He claimed that by teaching students short cuts for solving calculations, math anxiety could be entirely eliminated. The speaker asserts that the sutras on "Vedic Mathematics" can encourage students' interest in mathematics.

The seminar proved to be quite beneficial for the students as well as helpful in strengthening the approaches of teaching mathematics. All of the attendees expressed their gratitude for the seminar's ability to provide them with fresh approaches and advice on how to deal with their math fear. The seminar concluded with a vote of gratitude to each and every one of the attendees.
